

CONGRATULATIONS!

North Tahoe High School

Link Crew

Dear Parent:

It is with great pleasure that we announce that your child has been chosen, out of a large field of junior and senior applicants, to be a part of Link Crew at North Tahoe High School.

Link Crew is a program that welcomes the freshman class on the first day of school as well as continues to support them throughout their first year of high school. Your child was chosen to be a Link Crew Leader because he or she has been identified as a person on campus who is a positive role model, responsible, possesses leadership qualities, is kind and, most importantly, has a desire to give back to her/his school community.

Being a Link Crew Leader is an important responsibility that we hope both you and your child will take seriously. In order to build the most effective program possible, **we have a series of mandatory dates** that your child must attend and arrive to on time in order to be a Link Crew Leader. Please help us build a strong program, as well as develop good leaders by supporting our efforts to have on time attendance at the required functions.

Ultimately, it is the Link Crew Leader's obligation to take responsibility for her/his actions and our responsibility as the program Coordinators to help the Leaders understand the consequences of not doing so; Link Crew Leaders will be fully briefed on what those consequences are at the first Link Leader Meeting. Our desire is to offer support for the freshman class as well as help your child develop her/his full leadership potential. We appreciate your support of our efforts.

As a Link Crew Leader your child will be given the responsibility of managing and instructing a small group of 8-10 freshmen on Orientation Day in a series of activities; these are done in an effort for the Link Leaders and freshmen to get to know each other better as well as allow the Leaders the opportunity to pass on some valuable information about being successful in high school. In preparation for Orientation Day your child will be required to attend several training days and other events in order to be fully prepared to be an excellent Link Crew Leader. In addition to Orientation Day and the events related to that, your child will also be called upon to support freshmen throughout the year in a variety of ways including calling her/his freshman group to check in, connecting with them during the school day, attending a variety of social events specifically designed for frosh and Link Leaders as well as being available as a mentor for the freshmen should the situation arise.

2018 - 2019
