'23-'24 COURSE REQUESTS

Class of 2027

IS/Online Dual Enroll.

All non-NTHS courses require pre-approval and have limitations based on grade, availability, course history, and pre-requisites. Please see your school counselor to discuss potential options.

Ski Academy

Ski Academy periods will not be selected and requested directly by students. You must speak to your school counselor and/or Mrs. DesLauriers prior to Ski Academy period approval. 9th grade takes IS PE as their Ski Period and may request IS Chem as a second course if desired. We suggest 1 IS period for all 9th grade students.

Some required courses are pre-assigned to all 9th graders. If you need to change levels (i.e. honors english to non-honors), please remove the pre-added course and add the appropriate course back. Some classes may also be locked based on your needs, programs or other requirements. If you have questions about those - please see your school counselor.

All students must select alternative courses for electives/CTE/Arts/Language courses.
